## [Documentation for Previous Versions](#)

### [Confluence Spaces](#)

The links below provide archive online snapshots of final documentation for previous major versions, as well as the most recent prior version.

[Documentation v7.4.0/7.4.1](#)

[Documentation v7.3.0 / 7.3.1](#)

[Documentation v7.2.0 / 7.2.1](#)

[Documentation v7.1.0 / 7.1.1](#)

[Documentation v7.0.0 / 7.0.1](#)

[Documentation v6.0.0 / 6.1.1](#)

[Documentation v5.3.0](#)

[Documentation v5.2.0](#)

[Documentation v5.1.0](#)

Additional Confluence documentation for minor releases may be available upon request for limited time periods.

For assistance, contact our support team at [support@6connect.com](mailto:support@6connect.com) with your request.

## [PDF Documentation](#)

The links below provide compressed .pdf's of archive documentation snapshots for available ProVision versions. Combined Major-Minor version pdf booklets may be used for patch releases that immediately follow a major release.

Expand the link below and click on the desired version number to begin downloading the file. Once downloaded, be sure to extract / unzip the file to your desired save location.
