

Hosted Instances Guide

Hosted Instances Guide

With a cloud hosted instance of ProVision, all you need is one of the following web browsers with an internet connection and login credentials!

Once you have confirmed that you have a supported browser and valid login, you can proceed to [Getting Started](#), the [User Guide](#), or the [Admin Guide](#) to learn more about ProVision.

Cloud Hosted Instance: Browser Requirements

6connect makes every effort to maintain broad compatibility across browser vendors and versions.

Web Browsers Supported:

- Chrome (recommended)
- Firefox (recommended)
- Safari
- Microsoft Edge (current versions).

Backup and Redundancy

Backup Schedule

Both local and hosted instances are provided with a default Scheduler task to perform a backup every 24 hours, with a 1 month retention policy.

Restoration

Is a phone call or email away. We can spin up a new instance with your preferred data set.
